

## Reviewer Acknowledgements

The editors of *International Journal of Ophthalmology* gratefully acknowledge the members of IJO Editorial Board and reviewers from 61 countries and regions who participated in the peer-reviews and provided their valuable comments between Nov. 1<sup>st</sup>, 2017 and Oct. 31<sup>st</sup>, 2018. They volunteer their valuable time and expertise, and without them we would not maintain the necessary quality expected of the journal. We apologize if we have inadvertently missed a reviewer's name off this list.
