

Reviewer Acknowledgements

The editors of *International Journal of Ophthalmology* gratefully acknowledge the members of IJO Editorial Board and reviewers from 63 countries and regions who participated in the peer-reviews and provided their valuable comments between Nov. 1st, 2018 and Oct. 31st, 2019. They volunteer their valuable time and expertise, and without them we would not maintain the necessary quality expected of the journal. We apologize if we have inadvertently missed a reviewer's name off this list.
